<b>FEMA ICS FORM 202 INCIDENT OBJECTIVES</b>		<b>1. FEMA Disaster Number:</b> FEMA-4332-DR-TX	<b>2. Date/Time Prepared:</b> 09/15/2017 1700 CDT
<b>4. Operational Period:</b> 09/16/2017 0700 CDT to 09/17/2017 0700 CDT			
<b>5. General objectives for the Incident:</b>			
<b>Objective Number</b>	<b>Description</b>		
1 b	Promote a culture of safety across affected areas by adhering to best practices and guidelines to reduce accidents, injuries, and illnesses, resulting in safer environments for survivors and recovery staff.		
9 b	Provide for the efficient delivery of mass care services in order to accelerate recovery for the whole community.		
10 b	Implement accessible housing solutions that effectively support the needs of the whole community and contribute to its sustainability and resilience.		
11 b	Determine the full extent of damages and impacts and across integrated efforts to 'Rebuild Texas,' assist communities in re-establishing vital services and restoring community functions.		
15 c	Reduce future impacts to people and property through mitigation education & outreach, data collection & analysis, and administration of the National Flood Insurance Program (NFIP).		
7 e	Facilitate survivor access to all recovery and re-building options by providing accurate, accessible, and actionable information.		
18	Achieve timely and effective recovery, maximizing federal inter-agency support for state and local recovery priorities.		
<b>6. Weather Forecast for Period (Only if significant to Operations)</b>			
<p>Rivers: Water within the rivers continues to recede, however, the Sabine River at Deweyville should continue to hold steady just below the minor flood stage threshold of 24 feet.</p> <p>Harris County Branch and Branch II: Anticipate patchy morning fog or haze. Isolated shower and thunderstorm development associated with the afternoon sea breeze is possible. High temperatures in the middle 80s to lower 90s are expected, with heat index values reaching the lower and middle 90s. Overnight low temperatures will range from the lower to middle 70s. Winds will be from the southeast at speeds of 8-13 mph, with a few gusts around 20 mph possible in the afternoon. Other than patchy morning fog and any thunderstorm development in the afternoon, anticipate Visual Flight Rules for air operations.</p> <p>Branch VI and Branch III: Patchy morning fog or haze is possible. Cannot rule out an isolated shower or thunderstorm developing in the afternoon around the Victoria-Port Lavaca region of Branch VI, otherwise no precipitation is expected elsewhere. High temperatures in the upper 80s to middle 90s are anticipated, with heat index values reaching the middle and upper 90s. Overnight low temperatures will range from the lower to middle 70s. Winds will be from the southeast at speeds of 10-15 mph, with gusts around 25 mph possible in the afternoon. Other than patchy morning fog, anticipate Visual Flight Rules for air operations.</p>			
<b>7. General/Safety Message</b>			
<p>Update of nurse telephone:</p> <p>The Federal Occupational Health Clinic is now open: Hours: 7 AM - 7 PM Location: Next to the Safety Office north end of store Phone: 210-480-0974</p> <p>Rest is essential. Be part of the solution, not part of the problem. Get your rest.</p> <p>Heat Stress</p> <p>Excessive heat presents a serious hazard for employees, especially when coupled with high humidity. When the body is unable to cool itself by sweating, several heat-induced illnesses such as heat stress or heat exhaustion and the more severe heat stroke can occur, and can result in death. High temperature and humidity, direct sun or heat, limited air movement, physical exertion, poor physical condition, some medicines, and inadequate tolerance for hot environments are all factors that can lead to heat stress.</p> <p>If a worker is exhibiting the signs or symptoms of heat-related illnesses (excessive sweating, cramping, headaches, nausea and weakness), summon emergency medical services at once. While waiting for help, move the worker to a cool shaded area. Loosen or remove heavy clothing. Provide cool drinking water. Fan and mist the worker with water.</p>

**GENERAL MESSAGE (FEMA ICS FORM 213)****TO:** All Hands**POSITION:****FROM:** External Affairs**POSITION:****SUBJECT:** Navigating the Road to Recovery: Farmers, Ranchers, Homeowners, Renters Get Help**DATE/TIME:** 09/14/2017 0700 CDT**MESSAGE:**

Federal assistance to Texans for Hurricane Harvey

Three weeks after the federal disaster declaration, we are approaching \$1 billion in federal grants, loans and insurance payments made available to help Texans recover from Hurricane Harvey.

As of Sept. 14:

- o 28,719 homeowners and renters in Texas were approved for \$265.8 million in housing assistance, which includes essential home repairs and rental assistance. (interim report)
- o 176,596 homeowners and renters in Texas were approved for \$108.4 million in grants for the replacement of necessary personal property and help with serious disaster-related expenses. (interim report)
- o 85,000 flood-insured policyholders in Texas received \$238 million in advance payments from the NFIP.
- o 1,832 homeowners and renters in Texas were approved for \$187.5 million in low-interest disaster loans from the SBA.
- o 154 Texas businesses were approved for \$14.2 million in low-interest disaster loans from the SBA.
- o The State and local governments were approved for \$181 million in obligated PA funding to help with the costs of saving lives, protecting people and property, and clearing storm debris from roadways.

• FEMA has deployed more than 2,000 inspectors to Texas and completed more than 120,000 inspections of storm-damaged homes. Due to the magnitude of Hurricane Harvey, it may take up to 21 days for a FEMA inspector to contact an applicant and schedule an inspection. In response to a number of queries, FEMA advises:

- o Don't wait to clean up. Take pictures of the damage. Start repairs to make your home safe and livable again or prevent further damage to your property. Save your receipts to show the inspector.
- o If your home was inaccessible at the time of FEMA registration—but is now accessible—please update your status on DisasterAssistance.gov.
- o Displaced survivors unable to meet an inspector at their damaged home can designate an “authorized agent” who can be present during the inspections—such as a trusted neighbor or relative. If you don't have someone in the area who can serve as your agent, the inspector can arrange for a FEMA employee to act as your agent and represent your interests.

• Homeowners and renters who have uninsured disaster-related expenses from Harvey may be eligible for disaster grants from FEMA and low-interest disaster loans from the U.S. Small Business Administration (SBA). Grants may be used to:

- o Rent a new place to live when their previous home was destroyed.
- o Repair or replace uninsured vehicles damaged by Harvey.
- o Repair or replace necessary personal property—like appliances, furniture, textbooks and computers used by students, and tools used by the self-employed. (Homeowners and renters may borrow up to \$40,000 from the SBA to repair or replace damaged personal property.)

• Farmers and ranchers may also be eligible for disaster assistance for damage or losses from Harvey. Along with FEMA grants and SBA loans, farmers and ranchers may be eligible for emergency loans through the U.S. Department of Agriculture's Texas Farm Service Agency (FSA). Eligible losses covered by emergency loans and other programs may include crops and livestock. For more information on FSA services, go online to the USDA website at: [www.fsa.usda.gov](http://www.fsa.usda.gov) or visit the nearest FSA office.

• For more information about the disaster recovery operation, visit the FEMA website at [www.fema.gov/hurricane-harvey](http://www.fema.gov/hurricane-harvey) to view the helpful fact sheets and infographics on a wide variety of topics—such as What to Expect after Registration.

**SUBJECT:** Requesting American Sign Language Interpreters

**DATE/TIME:** 09/02/2017 1700 CDT

**MESSAGE:**

FEMA is committed to providing effective communication to survivors. Sometimes accommodations and modifications are required to ensure equal access and equal opportunity to all FEMA programs.

Here are some examples of accessible communication modalities you may need to provide:

- Language or American Sign Language interpreters
- Assistive listening devices
- Materials in large print or Braille
- CDs or thumb drives with documents used or provided
- CART (Communication Access RealTime Translation)

Remember there are many types of disabilities and therefore, many different types of access and functional needs that survivors will face on a daily basis.

Disability Integration Advisors are available to provide guidance and assistance to ensure all of our efforts are inclusive of the whole community.

Reasonable Accommodation Requests

Disability Integration American Sign Language (ASL) Interpreters are available to assist with communicating with survivors while in the field.

As soon as possible in advance of the time the interpreter is needed, contact Carole Stevenson (email [carole.stevenson@fema.dhs.gov](mailto:carole.stevenson@fema.dhs.gov) or 202 709 2297 text or voice) with the date, time and location of the event or meeting.

**IF YOU ARE IN AN ACCIDENT**

Below are some tips for handling and reporting any accidents that occur while you are driving a rental car, a government-owned or leased vehicle, or personal vehicles while on official sanctioned FEMA business.

1. Check for personal injuries to other parties and yourself and call for help if necessary.
2. Contact the local police if applicable.
3. Don't move the vehicles unless the cars are obstructing traffic flow.
4. You should NOT make any statement that admits guilt or fault to anyone, or make statements as to paying for damages.
5. If a police officer asks you for proof of insurance, provide the officer with the insurance card for the rental car. Additionally, you can hand out the accident brochure that is available from the Safety Office that provides information and lists contact numbers for FEMA's claims specialists.
6. Don't provide the other driver with your personal insurance information. Instead, provide the other driver with the following claims contacts

FEMA Office of the Chief Counsel.  
Jacqueline A. Nantier  
Senior Claims Specialist  
Office of General Counsel  
FEMA  
500 "C" St., SW Suite 840  
Washington, DC 20472  
Phone: 202.646.7397  
Fax: 202-646-4114  
Email: Jacqueline.nantier@dhs.gov

Margaret Ramos  
Senior Claims Specialist  
Phone: 202.646.4326  
Fax: 202-646-4114  
Email: Margaret.ramos@dhs.gov

7. Write down the other driver's information, including: name, address, phone number, insurance information (including policy number if available), driver's license number, state where the driver's license was issued.

8. Contact the following individuals: The Safety Officer, The Security Officer, your Supervisor and your rental car company if applicable.

9. Complete the rental car company's accident report. Complete Standard Form (SF) 91 Motor Vehicle Accident Report. Your supervisor must sign the report to verify that you were operating the vehicle within the scope of your employment. Make sure you attach a copy of the rental contract and any available police report, pictures and any reports you made to the rental car agency.

**DATE/TIME:** 08/29/2017 1500 CDT

**SIGNATURE/POSITION:**

## **PREVENTING CAR THEFT & BREAK-INS**

- Never leave your car running or the keys in the ignition when you're away from it, even for "just a minute."
- Always roll up the windows and lock the car.
- Never leave valuables in plain view, even if your car is locked. Put them in the trunk or at least out of sight.
- Park in busy, well-lighted areas.
- Carry the registration and insurance card with you.
- Don't leave personal identification documents or credit cards in your vehicle.
- When you pay to park in a lot or garage, leave just the ignition key with the attendant. Make sure no personal information is attached.

## **WHAT ABOUT CARJACKING?**

Carjacking—stealing a car by force—has captured headlines in the last few years.

Statistically, your chances of being a carjacking victim are very slim, and preventive actions can reduce the risk even more.

- Approach your car with the key in hand. Look around and inside before getting in.
- When driving, keep your car doors locked and windows rolled up at all times.
- Be especially alert at intersections, gas stations, ATMs, shopping malls, convenience and grocery stores—all are windows of opportunity for carjackers.
- Park in well-lighted areas with good visibility, close to walkways, stores, and people.
- If the carjacker has a weapon, give up the car with no questions asked. Your life is worth more than a car.

## **BEWARE OF THE "BUMP-AND-ROB"**

It works like this. A car, usually with a driver and at least one passenger, rear-ends or "bumps" you in traffic.

You get out to check the damage.

The driver or one of the passengers jumps in your car and drives off.

If you're bumped by another car, look around before you get out. Make sure there are other cars around, then check out the car that's rear-ended you and who's in it. If the situation makes you uneasy, stay in the car and insist on moving to a police station or busy, well-lighted area to exchange information.

Keep in mind that if you're a driving a FEMA rental car, the police must be called to take a report if there is damage or injury.

## Submitting the Accident Report

The FEMA driver must complete the SF91, "Motor Vehicle Accident Report" and attach supporting documentation.

Be sure to:

- Sign and date block 71a and 71b.
- Use a permanent (not temporary) home address and phone in "Section VIII – Extra Details".
- Have your supervisor fill out block 81a, 81b, 82a, 82b, and 82c.
- Attach legible copies of the following:
  - Rental agreement
  - Rental agency accident report
  - Police report, if applicable
- Maintain a copy of all documents for your personal records.
- If requested by FEMA's Office of Chief Counsel, digital photos and/or a SF94, "Statement of Witness" may be required.
- Provide the Disaster Safety Officer with a copy of the Accident Report and supporting documents.

The Safety Officer will fax and mail a hardcopy of these to the Office of Chief Counsel.

If you are contacted about the accident or payment, by anyone other than the rental company, notify:

FEMA Tort Claims Division  
Office of Chief Counsel – General Law  
500 C Street, SW  
Suite 717  
Washington, DC 20472-3100  
202-646-4326  
202-646-7397

For additional information about the Disaster Safety Officer Cadre, or about occupational safety and health issues, contact your facility Safety Officer, your Disaster Safety Officer, or Headquarters Occupational Safety, Health and Environment at 202-646-421.

More information on FEMA and emergency preparedness and response issues can be found at [www.fema.gov](http://www.fema.gov).

# Vehicle Accident Reporting

For a Government Vehicle

L 268 / October 2009

FEMA

## Vehicle Accidents

Many FEMA disaster employees use rental vehicles on a daily basis to perform their work. These “Government vehicles” may be used only for the conduct of official agency business, which includes traveling between a temporary duty station and temporary residence and similar places necessary for the sustenance, comfort, or health of the employee.

When a vehicle is used for official purposes, the government covers the employee for accident liability and worker’s compensation. This policy covers GSA vehicles, rental vehicles, and personal vehicles while on officially sanctioned FEMA business.

Unauthorized use of a rental vehicle is considered personal use and is not considered to be “official travel” or “official use of the vehicle.”

## When an Accident Occurs...

If you should get in a vehicle accident while on official government business, follow these procedures.

### What You Should Do

- Check for personal injuries to other parties and yourself and call for help if necessary.
- Write down the other driver’s information to include:

Name Address  
Phone number  
Insurance company  
Policy number  
Driver’s license number  
The state where the driver’s license was issued

- Contact the following individuals:
  - The local police, if applicable
  - The Disaster Safety Officer
  - The Security Officer
  - Your supervisor
- Notify the rental company and complete their accident report. Keep a copy to attach to your FEMA report.
- A claims representative may contact you to review the accident report you submitted or to take a formal accident statement. Under the terms of the government agreement, you are required to cooperate.

### What You Should NOT Do

- Make any statement which admits guilt or fault to anyone.
- Move the vehicles unless they are obstructing traffic flow.
- Provide the other driver with your own personal insurance information.

## Contacts at the Office of Chief Counsel

Provide the other driver with one of the following business contacts:

### Jacqueline Nantier-Hopewell

Claims Specialist  
Office of Chief Counsel  
FEMA  
500 “C” St., SW
